PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 264C3 to  
Crosbyton, Texas as that community's first local FM  
service. Crosbyton, Texas is an incorporated city with a  
population of 1,874 people and 92 businesses that have been  
given a credit rating by Dun & Bradstreet as of the last  
quarter of 2000.<sup>1</sup> Crosbyton has its own mayor, Jackey  
Dewbre, its own post office, volunteer fire department,  
police department, city offices, school system and a number  
of local churches. Crosbyton is a community that is

certainly deserving of a FM service. The proposed channel 264C3 will provide additional diversity and an outlet for local self-expression to Crosbyton residents and therefore is in the public interest.

Should this petition be granted and Channel 264C3 allotted to Crosbyton, Texas, Petitioner will apply for Channel 264C3 at Crosbyton and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
